

FOR ACTIVE EMPLOYEES

PF TRANSFER

An active employee (PF member) can initiate PF transfer-in from any number of previous employers to the Present PF number.

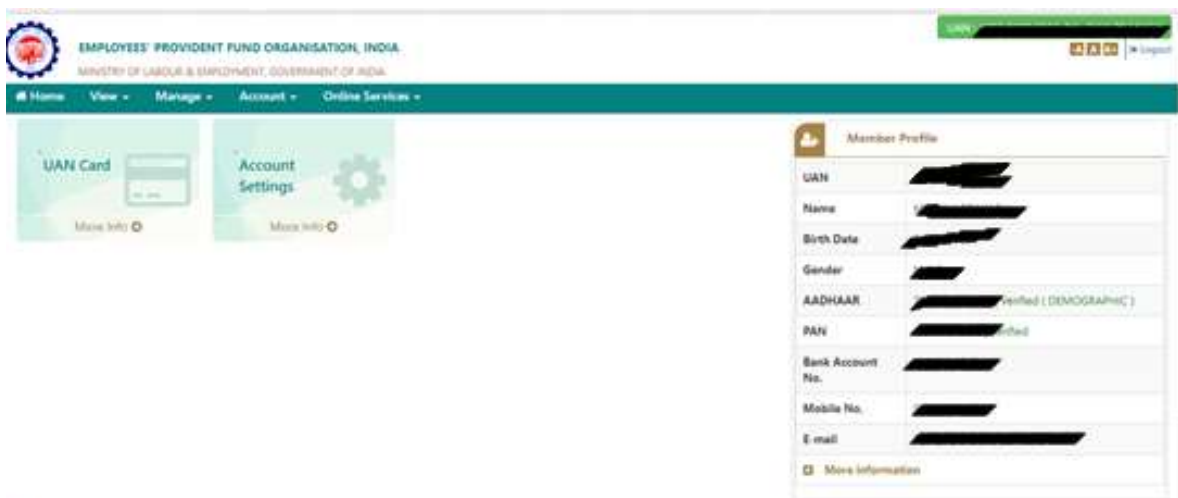

(a) If your previous employer is a PF TRUST, then pls write to amazonpf@scgroup.in for the manual/offline transfer procedure from PF trust, since most PF trusts use only the offline method.

(b) If your previous employee is NOT a PF TRUST, then you have to initiate the PF transfer-in online through the PF portal.

PF TRANSFER-IN ONLINE (Where previous employer is NOT a PF TRUST)

In order to be able to initiate the PF Transfer online, pls note the previous PF number in the PF portal has to be fully populated by the previous employer, including your date of exit. Hence, not all will be able to initiate the transfer-in online.

Step 1: Log on to <https://unifiedportal-mem.epfindia.gov.in/memberinterface/> using your UAN in your most Amazon payslip

Step 2: Ensure KYC and Contact details are up to date for initiating PF transfer. You can check KYC by clicking on the "Manage" tab

Step 3: Go to Online Services and select > ONE MEMBER – ONE EPF ACCOUNT (TRANSFER REQUEST)

Step 4: Read the Instructions and check the Personal Information for accuracy. This page will also show details of present PF account into which transfer will be effected

The screenshot shows the EPFO portal's 'Online Services' section. The menu includes:

- Instructions
- Personal Information
- Details of present account into which transfer will be effected
- Step 1 : Select details of previous accounts (which are to be transferred)
- Step 2 : Authenticate OTP & Submit

Step 5: Go to Step 1 and select details of previous PF account which are to be transferred.

- Select attestation through 'present employer'
- Provide your previous Member ID (PF account number of the account to be transferred)
- Click 'get details'

The screenshot shows the 'Step 1 : Select details of previous accounts' form. It includes a note about attestation options (Previous Employer or Present Employer) and a field for Member ID / UAN. The 'Present Employer' option is selected. There are buttons for 'Get Details' and 'Submit'.

Step 6: Go to Step 2 and generate OTP which you will receive on the mobile number registered with UAN

The screenshot shows the 'Step 2 : Authenticate OTP & Submit' form. It includes a note: 'Note : OTP will be sent on UAN registered mobile number.' There are buttons for 'Get OTP', 'Enter OTP', and 'Submit'.

Step 7: Enter the OTP received on the mobile number and click 'Submit'
